

WHAT YOU NEED:

- Scissors
- Light cardboard
- Elastic or string that will go around your head
- A glue stick
- A hole punch

1. Colour the dragonfly if you choose the black and white version
2. Cut out the dragonfly shape
3. Cut out the eye holes
4. Place the dragonfly on the cardboard, draw around the outside, and cut out the dragonfly shape and the eye holes.
5. Glue the paper shape to the cardboard and make holes in the cardboard for the elastic
6. Attach the elastic to fit your head size
7. Now put it on and become a **wetland dragonfly**
